

If anything in the world is worth doing well, advertising is that thing. Doubt and uncertainty as to results should never accompany an order for advertising.

BITTING BROS.

This is not merely a figure of speech—we don't spare any pains. When we are neglecting your interests, we are neglecting our own. There is no law on the statute books that prevents a dealer from charging a good price for a bad article, but there is an unwritten law which protests against it and with that unwritten law we are in full sympathy. There are many ways of getting custom, but there is only one way of keeping it and that is by keeping the price down and the quality up.

The hot weather is gradually melting down our stock of summer coats and vests, but have some choice Drap de Ete, Mohairs and Flannels at prices lower than ever. Linen, Silk and Mohair Dusters, white and fancy linen vests, linen pants at less than cost of manufacture. Summer underwear in all grades, a choice article in very light weight all wool, also an imported French lisle, nainsook, balbriggan, &c. Night and outing shirts all grades and bottom prices. Straw hats at any price. Trunks and valises, umbrellas and rubber clothing. Can you use a big Saratogo or sole leather trunk at less than cost. We are overstocked on these, hence the big discount. Come and see us for mens, boys or childrens clothing this week and we will save you money. Our store is not open today, but will be bright and early Monday morning.

Mail orders filled same day as received.

HEIR TO A FORTUNE

And I will Close out My Business.

I wish to do this in as short time as possible, and I have come to the conclusion that there is only one way to do it and that is for me to lose a lot of money and give it to you.

It may seem hard to believe that I am willing to lose a lot of money, but I have only one way to convince you and that is for to come to **THE ENTERPRISE** and see for yourself how my stock of elegant goods is being slaughtered regardless of cost or worth. I have a \$20,000 stock of fancy goods, notions, hosiery, underwear, corsets, ribbons in fact everything but dress goods, which you can buy Now and now only, for half what it cost me. You have attended closing out sales before, but

I DEFY ANYBODY

To buy goods at retail or to have bought goods cheap as I will sell goods at this sale. It would be useless to quote prices. I am not selling one or a dozen articles at a certain price but every article in my entire stock from a pin to a \$25.00 garment goes for half the cost or less. Just a few words more:

If you value your money. If you want to see goods slaughtered. If you like to get goods for almost nothing. Don't you miss this most wonderful quit Business Sale.

THE ENTERPRISE.
